

12 June 1883

My Dear Sir

As the accompanying
two Letters are open you will
at least have no trouble from
Customhouse officers & I will
not apologise for any you may
have in delivery them being
already encroached so much more
in the form of my parcel for
American paper.

With best wishes for your health
& a happy meeting with
your Family I am My Dear Sir

Very sincerely Yours
A. Brown

Dr. Loring
